

EPC720 Cover

Prior to installation and assembly, make sure you have read and understood the “Supplemental Directives” and “Safety” chapters in the User Manual for the EPC720 basic unit.

Intended Use

The EPC720 Cover (the “product”) protects the components of the Uniclean 700 system from the effects of weather exposure.

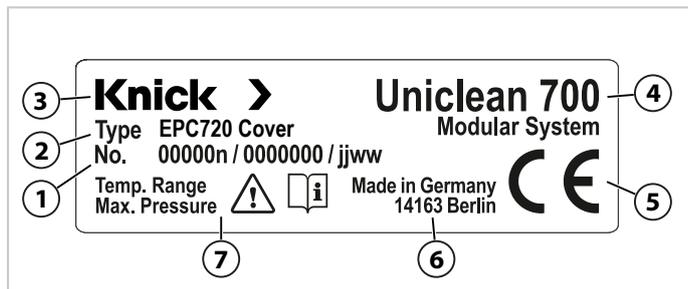

Use of the product is only permitted in compliance with the operating conditions stated in the Specifications.

Package Contents

- EPC720 Cover
- Installation Guide

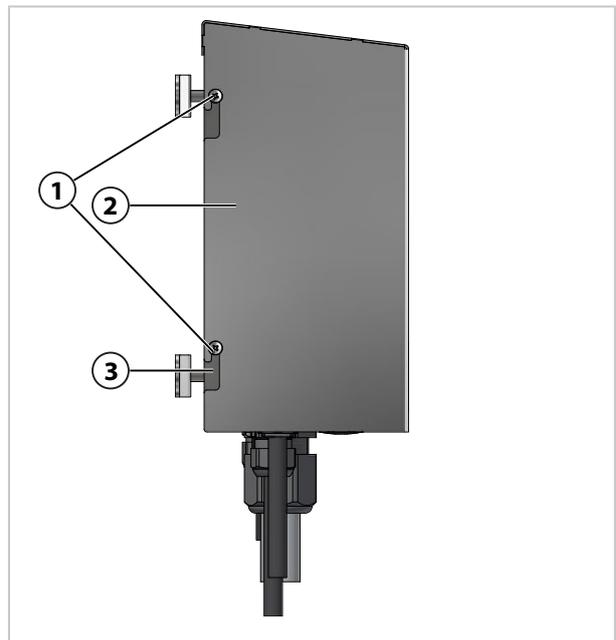

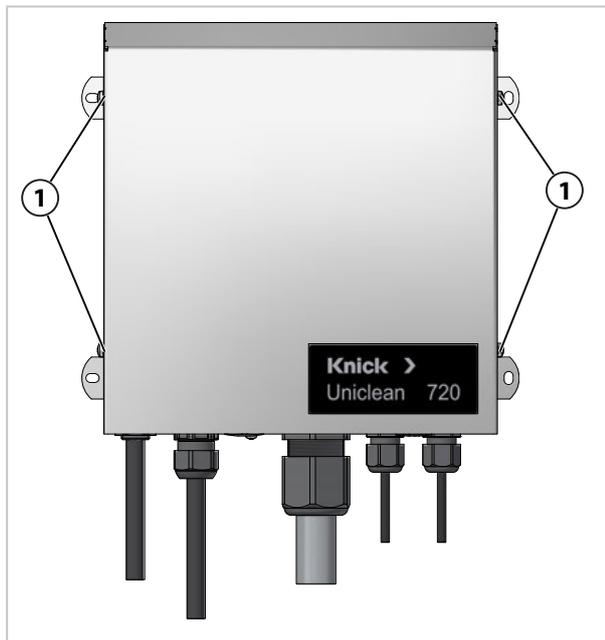

Nameplate

The product is identified by a nameplate.

- 1 Item number, serial number, year/month
